

YOUR BODY LOVES TEATONIC

Start your teatox journey

Our teatox bedtime infusion is a delicious herbal blend to help improve your digestion and relieve gastrointestinal problems. Our ingredients also have a calming effect on your nervous system. The ultimate infusion to help you relax and have a good night's sleep...

Drink one cup every evening
before bed for 14 days

Infuse one tea bag in 250 ml
of near boiling water (95 °C)

Brew for
5-7 minutes

For best results, we encourage you to keep well hydrated and to combine your teatox programme with an active and balanced lifestyle, including a healthy and varied diet and daily exercise. For tips, visit our website www.teatonic.com

100% natural & organic ingredients

All our blends are made of natural and organic ingredients.
Flavoring- & preservative-free. Our ingredients have been carefully selected
and blended by practitioners that specialise in health and weight loss.
